Chairman (LC), while proposing the meeting requested all the members to go through the draft writ petition for the Cadre Review case which was placed before the members of LC in its whatsapp platform in the evening of 22nd September 2023 (Friday).

During the meeting, detailed deliberations were made on the draft WP and various queries raised by the members were clarified by the Chairman. One of the clarification was regarding granting of IR, which was missing in the draft WP. It was clarified that IR doesn't form a part of the main WP in High Courts. There will be a separate application seeking IR. Some typing mistakes were also highlighted by the members which were noted for modifications in the WP. **The draft Writ Petition was thereafter passed by the Legal Committee with some minor corrections.**

Before concluding the meeting, the Chairman raised concern over the continuous absence of certain members from the meeting resulting in loss of the committee from their valued opinion and directed the Member Secretary to prepare a list of members abstaining from last three meeting of the committee and recommend to S.G to place it before NEC for replacement or other necessary action.

The meeting was ended with thanx to the Chair.
