

MESSAGE FROM CONTROLLER GENERAL OF ACCOUNTS
FOR 1ST GENERAL BODY MEETING OF AICAO (Sr.AOs/PAOs)
ASSOCIATION ON 18.11.2022 AT NEW DELHI

At the outset, I Congratulate the AICAOA [*All India Civil Accounts Officers (Senior Accounts Officers and Pay and Accounts Officers) Association*], recognised recently, on the occasion of the first General Body Meeting.

Associations provide the vital platform to Officers for sharing their views and opinions about issues impacting them. They also play a crucial role in establishing a bridge between the employees and the establishment, which is necessary for understanding viewpoints as well as limitations. I am hopeful that the AICAOA will play a constructive role by bringing forth the perspective and concerns of its members regarding the Indian Civil Accounts Organisation in the times to come.

The Indian Civil Accounts Organisation is committed to strengthen governance through excellence in public financial management. Promoting professional integrity through a dedicated workforce committed to service ethos is our Mission. I take this opportunity to exhort AICAOA to synergise its efforts with my Office for achieving the same.

I wish the very best to the AICAOA and its members for meaningful deliberations and successful conduct of its first General Body Meeting. Association.

Best Wishes Always!

Bharti Das
Controller General of Accounts
